TITLE: HOSPITAL SMOKE FREE BY-LAW AMENDMENT

X Draft By-Law Item Policy Recommendation

Mayor D. Backer and Members of Council:

Hôpital de Mattawa Hospital officials, with the support from the North Bay Parry Sound District Health Unit, are requesting the municipality amend By-Law # 08-25 (as amended) which is a By-Law to prohibit smoking at the Hôpital de Mattawa Hospital. The Hôpital de Mattawa Hospital has decided to go totally smoke-free on the entire property. The current By-Law # 08-25, as amended, will have to be amended again in order to meet the needs for a total smoke-free property. Some of the changes will be adding a Schedule “A” with legal descriptions of the property owned by the Hôpital de Mattawa Hospital; changing a few of the definitions and adding a section “signage required”.

Therefore the following is recommended:

Recommendation:

That the Town of Mattawa adopts By-Law 13-22, which will amend By-Law # 08-25, as amended, in order to designate the entire property of the Hôpital de Mattawa Hospital as being smoke-free.

Respectfully submitted

TITLE: MATTAWA VOYAGEUR DAYS – CASH ADVANCE

Draft By-Law Item Policy Recommendation

Mayor D. Backer and Members of Council:

Mattawa Voyageur Days will be held July 24-27, 2014. The Committee was very pleased to announce the festival’s first two major acts – SASS JORDAN will play during the Saturday 12-12 Rock Where the Rivers Meet and RANDY BACHMAN will close out the festival Sunday night. These are 2 phenomenal Canadian musicians who are multi award winners.

The Corporation of the Town of Mattawa annually advances funds to the Mattawa Voyageur Days Committee. Funds are required for deposits on the entertainment package. The Committee is requesting an increase in the advance to pay deposits for the entertainment package as these costs have increased significantly over the past few years. These funds are repaid to the Corporation following the annual report to Council. The festival could not operate without these funds.

Recommendation:

It is therefore recommended that the Corporation of the Town of Mattawa advance the sum of \$100,000.00 in way of a loan to the Mattawa Voyageur Days Committee.

TITLE: FESTIVALS AND EVENTS CONFERENCE

Draft By-Law Item Policy Recommendation

Mayor D. Backer and Members of Council:

The 'Festivals and Events Ontario' annual conference will be held in Richmond Hill Feb 27 - March 1, 2014. Mattawa Voyageur Days/Town of Mattawa is a long standing member of this provincial organization. The Town of Mattawa also offers or assists in other special events such as Canada Day, Cultural Gathering, Pro-Bass Tour and various tournaments along with a variety of other activities and events. We have not attended the annual conference and trade show since 2012. This is a great opportunity for staff & Voyageur Days' Co-Chair attend the various educational sessions provided for upgrading, refreshing, and knowledge and to see what is new and available in the festival marketplace. This is even more important as Mattawa Voyageur Days, which is celebrating its 17th anniversary in 2014, reach such a high level by being recognized in the TOP100 Festivals and Events in Ontario in the past 6 years and being considered for a 7th consecutive year in 2014 and also has had national recognition in the past 4 years.

This conference is well worth attending for new information, grants, programs and for the marketplace. Further, attending a conference such as this gets the staff involved in organizing the special events, motivated and in a positive mindset. There will be many opportunities for networking during the luncheons, socials, the marketplace and the trade show.

It will be recommended that Jacques Begin attend this year's conference. The cost of the conference is approximately \$1,000.00 which includes accommodations & registration plus travel. This cost is very reasonable considering the quality of the conference and the fact that the Committee is responsible for a budget in excess of \$545,000.00!

Recommendation:

It is therefore recommended that Jacques Begin attend the Festivals and Events Ontario Conference in Richmond Hill Ontario February 27 - March 2, 2014. The total cost to the Corporation of the Town of Mattawa will be approximately \$1,000.00 plus travel.

TITLE: PURCHASE OF STORAGE BOTTLES FOR FIRE DEPARTMENT

Draft By-Law

Item

Policy Recommendation

Mayor D. Backer and Members of Council:

Several years ago the Mattawa Fire Department purchased a new compressor. At the time we knew storage bottles would have to be purchased in the near future to compliment the compressor.

The bottles allow for a large quantity of air to be stored for faster fill ups during an emergency. The compressor takes approximately fifteen minutes to fill one eighty cubic foot scuba air tank. Three 4500 cubic foot storage bottles used in order will fill two tanks in approximately six minutes as well as allowing us to fill twelve tanks before the compressor even turns on.

During this year's budget process we set aside the required \$3200.00 for this purchase through our SCBA equipment account.

Recommendation:

That the Mattawa Fire Department proceed with the purchase of three 4500 cubic foot storage bottles at a cost of approximately \$3200.00.

TITLE: SETTING OF 2013 RESERVES

Draft By-Law Item Policy Recommendation

Mayor D. Backer and Members of Council:

With the completion of the 2013 fiscal year a number of Operating and Capital accounts need to be transferred into Reserve Accounts to allow for funds to be specifically earmarked for certain projects/programs. By doing so, Council is demonstrating and reconfirming its commitment to various programs and this resolution gives clear direction to staff and the municipal auditors on how to account for the finances.

The following is a summary of the Reserve Accounts to be created or increased:

- 1) The municipality's position with respect to sick leave liability for employees with banked credits and the amount payable should employees leave for whatever reason is underfunded and the auditors normally suggest the reserves be increased to offset future payouts. Council budgeted \$25,000.00 in 2013 to be reserved to the Sick Leave account.
- 2) Council was able to create a Reserve from taxes received in 2013 and budgeted for a Reserve of \$453,353.00 which could be used in future years to assist with the 1.2 million dollar debenture for the Highway 17 Sewer and Water infrastructure project and increase the limited reserves for expected and unexpected future expenditures.
- 3) Council directed that \$30,800.00, which was a reconciliation surplus from the 2010 OMPF, be reserved for future municipal needs.
- 4) Council budgeted \$1,130,000.00 for 2013 expenditures for the Brooks Street Light Industrial Park Project and approximately \$126,000.00 has been spent to date. Reserves of \$42,500.00 were originally to be brought in to be expended in 2013 are transferred back to Reserve for expenditures in 2014. In addition \$162,000.00 in Federal Gas Tax was to be expended on the project. These funds are reserved for 2014.
- 5) The Public Works Department budgeted \$15,000.00 as a reserve from tipping fees at the Landfill Site and these funds are to be reserved for future landfill work.

- 6) Council budgeted \$28,000.00 in retroactive payments for 2013 labour negotiations and staff salary adjustments. Union negotiations have been delayed until 2014 and the \$28,000.00 is transferred to General Reserve.
- 7) Council budgeted the \$30,000.00 TransCanada Pipeline grant to be reserved for future Fire Department Rescue Van equipment purchases and will be transferred to a Fire Department equipment reserve.
- 8) Council budgeted \$20,000.00 to contribute to the water reserve for 2013 for future water infrastructure programs.
- 9) Council budgeted \$10,000.00 for a Water Pump Reserve for future pump needs.
- 10) Landfill Improvements budgeted \$50,000.00 for Certificate Amendment work which was to use Landfill Reserves. Work has been rescheduled for 2014 and the \$50,000 budgeted is transferred back to the Reserve Account.
- 11) Council budgeted \$25,000.00 for playground equipment at Timmins Park which has been deferred to 2014 and the \$25,000.00 is transferred into Reserve for Timmins Park improvements.
- 12) Council budgeted \$25,000.00 from Reserves to be used towards costs associated with updating the municipality's Official Plan and Zoning By-law. This program has been delayed until 2014 and the \$25,000.00 is transferred back into Reserve for updating the Official Plan.

Recommendation:

Based on the above detailed report Council authorizes Reserves be created for the following accounts:

- | | | |
|----|------------------|--|
| 1) | 1-20-210-509-060 | Provision for Sick Leave

TITLE: ENDORSEMENT OF TEN-YEAR HOUSING AND HOMELESSNESS PLAN FOR NIPISSING DISTRICT

Draft By-Law Item Policy Recommendation

Mayor D. Backer and Members of Council:

The District of Nipissing Social Services Administration Board (DNSSAB) has prepared a ten-year Housing and Homelessness Plan on behalf of participating municipalities in the Nipissing District over the past two years and is now looking for municipal endorsement of the Plan before submitting it to the Province for approval.

Much research and analysis was put into this detailed plan with public participation being an important part of the process. Consultation meetings were held in the area and out staff provided input into the preparation of the document. As we are aware there is an acute shortage of affordable housing widespread in the Province and Mattawa's statistics compound the problems with below average income levels and a corresponding shortage of affordable housing especially for the elderly who are also very vocal in their needs.

DNSSAB is requesting municipal support and are planning to submit their Plan shortly to the Ministry of Municipal Affairs and Housing. The Plan identifies housing problems and issues, and proposes solutions which if approved by the Province, will provide direction for implementation. Mayor Backer has been involved in this project from the beginning and supports the findings of the report and is recommending Mattawa's support by passing the following resolution.

For these reasons it is recommended:

Recommendation:

That the Town of Mattawa supports and endorses the District of Nipissing Social Services Administration Board with the submission to the Ministry of Municipal Affairs and Housing of the 10-Year Housing and Homelessness Plan and encourages the Province to approve and assist with the implementation of the Housing Plan going forward.
