Basis of \$40 per Cu. Yd		
Bags (1/4 Cu. Yd / bag)	per bag	\$ 10.00
Labor & Machine time for additional burying / handling services (minimum)		\$ 100.00

Hours of Operations

The Landfill is open on Saturday from 09:00 -- Noon		No Charge
Contractors can enter By Appointment Only on Tuesdays & Thursdays		
from noon to 4:00pm with 24 hrs notice	per hour	\$ 30.00
***Landfill open charge during off hours	per hour	\$ 100.00

Notes:

- Appliances (fridges, freezers and A/C units) will only be accepted after the refrigerant has been removed and tagged by a MOECC certified technician. If a tagged unit is brought in, a **one day** credit of \$25.00 will be applied to the customer. Units **NOT** tagged will be refused at the landfill and reported.
- No Household Hazardous Waste accepted! Residents can dispose of this at the North Bay Household Hazardous Waste depot located at 112 Patton Street in North Bay
- Electronic Waste is not permitted! Residents can drop off their E-waste at the Mattawa Public Works Yard located at 1276 Mill Street from 07:00 -- 4:00 pm Monday to Friday
- A load is considered mixed when it contains wood waste, metals, or rubble that can be separated before landfilling (eg. wood decking, pallets, shipping crates, appliances, metal roofing, concreted steps, etc.)
- The following separate examples are provided as a guide for estimating purposes:
 - A full pickup truck with a trailer (of regular refuse) will be charged \$15.00 + \$20.00
 - A Tri-axle truck load of mixed material would be \$360.00
 - A tandem truck load of wood/brush would be \$80.00
 - A load brought in that also has a tagged appliance: subtract \$25.00 from the total charge
