RE: Mattawa Marina

The Mattawa Marina remains closed and requires repair due to damages sustained during the high water levels of 2023.

At this time, a gate and sign are in place and access to the docks is prohibited.

As the water levels return to normal, repairs will be performed to ensure a timely open to the season.

In late June, a more permanent solution will be constructed to ensure the dock system can function with fluctuating water levels.

Thank you for your patience and understanding.
