TRUSTED CANADIAN SOLUTION

Coast to Coast to Coast

150
Canadian
Municipal
Partnerships

○ **9 Provinces**

○ **2 Territories**

THE PROBLEM – FOOD WASTE

- **63%** of food waste is avoidable
- Household waste is composed of **25-50%** organic waste
- Food waste weight is up to **90%** liquid mass (which is heavy)
- The average Canadian household spends **\$1,766** on food that is wasted each year
- Each year food waste in Canada is responsible for **56.6 Million tonnes of CO2** equivalent of GHG

MUNICIPAL IMPACT

Waste is a municipal responsibility

LANDFILL + WASTE COSTS

- ~**25-50%** of household waste is organic waste
- Landfills are filling up fast, creating cost and environmental issues
- Hauling, transfer, and disposal services are a major cost factor and environmental contributor

ENVIRONMENT

- Landfilled organic waste produces methane, which is **25 times** more harmful than CO₂
- 1 tonne of food waste is equivalent to 1 car on the road for one year

COMMUNITY

Food in the garbage:

- More frequent collection or trips to the disposal site
- Unpleasant odours
- Animals, pests & other visitors

Removing food waste from garbage:

- Volume is reduced by up to 50%
- Less frequent collection, fewer trips to disposal site, save on bag tags
- Keeps odours out, makes garbage much less “interesting” for animals

HAVEN'T WE SOLVED THIS ALREADY?

GREEN BINS

- Major **capital expenditure** to invest in **processing & collection infrastructure**
- **Contamination** is an ongoing challenge
- **GHG emissions** and **safety concerns** from collection vehicles
- **Participation rates** are often lower than desired, particularly in **multi-residential dwellings**
- **Service disruptions** due to labour strikes, vehicle breakdowns, or inclement weather

BACKYARD COMPOST

- **Space, ability, and know-how** are limiting factors
- Most users **do not compost in winter** or inclement weather
- May **attract pests/animals** or create unpleasant **odours**
- **Participation rates** are relatively low and stagnant
- Can produce **methane** if done incorrectly

LANDFILL

- **Easiest solution** and often perceived as the most cost-effective in the short term
- Waste is typically **out of sight and out of mind** for consumers
- High levels of GHG emissions, particularly **methane**
- Long-term **environmental hazard** requires monitoring / maintenance
- **Landfill capacity** is quickly running out

IMPACT: PRESSURE

Regulatory + Social

THE TIME IS NOW

- Constituents want **solutions** to reduce their environmental impact
- Waste is perceived as a government problem and **regulations** are coming
- Food waste is “low-hanging fruit” to achieving higher **diversion** and addressing the environmental impact of waste

"I've received a number of positive messages from residents saying, "sign me up, where can I get mine." I'm 100 per cent in favor of it."

Deputy Mayor Lyle Warden, (South Glengarry ON)

"We were extremely happy with this program and loved that it made us aware of our daily waste."

Pilot participant in South Glengarry

"It's a great tool to reduce household waste. Appreciate that the municipality is being innovative and piloting different solutions."

Pilot participant in Hornepayne

"It alleviates a lot of the concerns that people might have with backyard composting. The time commitment, the location, pests and animals..."

**Kylie Hissa, Strategic Initiatives Officer
(Kenora, ON)**

THE FOODCYCLER PILOTS

The results are in.

We've heard from:

10,000+

Participation Rate **98%**

- 98% of pilot participants will continue using the FoodCycler after the pilot period

Recommendation Rate **96%**

- 96% of users would recommend the FoodCycler to friends/family/neighbours

User Experience Rating **4.6/5**

- 4.6 out of 5 star rating for the overall user experience of the FoodCycler

Net New Diversion **300 kg**

- Each participating household is estimated to divert approximately 300 kg of food waste per year

Awareness + Prevention **77%**

- 77% of pilot participants resolved to waste less food as a result of increased awareness

PILOT PROGRAM

12 Weeks from Start to Finish

PILOT TIMELINE

START

Residents purchase FoodCycler at a subsidized rate from Municipal Office (or other designated location)

12 WEEKS

Participants use the unit for a period of 12 weeks.

Number of cycles per week are tracked to estimate total diversion achieved.

END

Participants fill out an exit survey, providing their review of the program and any other feedback.

Survey results used to evaluate program success.

NEXT STEPS

Tailored program design and implementation.

Grants may be available, with support from Food Cycle Science.

7. Notice of Motions

7.1 Support to Royal Canadian Legion Branch 254 Grant Request to Ontario Hydro

Resolution Number 24-172

Moved by Councillor Fern Levesque
Seconded by Councillor Laura Ross

WHEREAS the Royal Canadian Legion Branch 254 located in the Town of Mattawa is an institution that supports our local economy;

AND WHEREAS they are not only one of the biggest supporters of veterans but supporters of everyone in the Town of Mattawa and surrounding areas;

AND WHEREAS the Royal Canadian Legion Branch 254 is applying for a grant from Ontario Hydro to aid them in getting the roof repaired on the local branch building and receiving the grant for the roof would provide them the ability to keep their hard-earned funds to assist with aiding the town in various events.

BE IT RESOLVED THAT Council of the Town of Mattawa fully supports the Royal Canadian Legion Branch 254 in their quest to obtain a grant from Ontario Hydro for their much-needed roof repairs.

AND FURTHER THAT Council provides a letter of support for this endeavor through the Mayor.

CARRIED – unanimous

7.2 Support to Resolve Significant Financial & Budgetary Pressures Relating to Infrastructure, Development, Maintenance & Repairs

Resolution Number 24-173

Moved by Councillor Garry Thibert
Seconded by Deputy Mayor Mathew Gardiner

WHEREAS the Province of Ontario has agreed to assume responsibility for the Gardiner Expressway and the Don Valley Parkway from the City of Toronto, which will be uploaded to the Province of Ontario;

AND WHEREAS like the City of Toronto, the Corporation of the Town of Mattawa and all municipalities in the Province of Ontario are experiencing significant financial and budgetary pressures including those related to infrastructure development, maintenance and repairs, and are seeking reasonable solutions to address the same while balancing their financial books;

AND WHEREAS the uploading of municipal highway infrastructure to the Province of

Ontario or, alternatively, appropriately increasing the Ontario Community Infrastructure Fund to Ontario municipalities will assist municipalities in addressing such financial challenges;

BE IT RESOLVED THAT:

a. The Province of Ontario:

- Upload from local municipalities the responsibility of and costs associated with the continued construction, operation, and maintenance of major municipally-owned highways throughout the Province of Ontario to the Ontario Ministry of Transportation; or
- alternatively, if uploading is not the preferred option of the Province and/or local municipality, to appropriately increase the Ontario Community Infrastructure Fund to municipalities so as to fairly and equitably allocate resources to Ontario municipalities.

b. A copy of this resolution be circulated to the Minister of Transportation; MPP Vic Fedeli and the Association of Municipalities of Ontario.

CARRIED – unanimous

7.3 Support for Ontario Immigrant Nominee Program

Resolution Number 24-174

Moved by Councillor Laura Ross

Seconded by Councillor Fern Levesque

WHEREAS employers across Northern Ontario are experiencing a critical shortage of skilled workers, contributing to a shrinking labour market with an estimated 50,000 newcomers needed by 2041 to sustain current Northern Ontario population levels;

AND WHEREAS the labour shortage is causing significant economic hardship for Northern Ontario communities, including reduced productivity and business closures;

AND WHEREAS population and migration trends to 2021 suggest that Northern Ontario needs 100,000 newcomers by 2041 to sustain current population;

AND WHEREAS the success of the federal Rural and Northern Immigration Pilot (RNIP) demonstrates the effectiveness of allocating nomination spots to address regional labour shortages in attracting newcomers to Northern Ontario;

AND WHEREAS the Ontario Immigrant Nominee Program has expanded from 9,750 nominees in 2022 to a goal of 21,500 nominees in 2024.

THEREFORE BE IT RESOLVED THAT Council of the Town of Mattawa urges the Government of Ontario to address the critical market shortage of skilled labour in Northern Ontario by allocating 3,000 Ontario Immigrant Nominee Program spots to support the region's economic growth and development.

AND FURTHER THAT this resolution be forwarded to the Ontario Minister of Labour, Immigration, Training & Skills Development; local Members of Provincial Parliament; the Federation of Northern Ontario Municipalities; and the North Bay and District Chamber of Commerce.

CARRIED – unanimous

7.4 Support for Call to Action to Meet Deadline of an Accessible Ontario by 2025

Councillor Mick arrived at 6:37 p.m.

Resolution Number 24-175

Moved by Deputy Mayor Mathew Gardiner

Seconded by Councillor Garry Thibert

WHEREAS the Accessibility for Ontarians with Disabilities Act (AODA) is ground-breaking legislation, created to help people with disabilities fully participate in society, bring them to the table in crafting regulations, and build mechanisms to enforce standards;

AND WHEREAS Rich Donovan, an expert in accessibility issues, was appointed as the Independent Reviewer of the Act in 2022, and in his 2023 legislative review declared a crisis as a necessary catalyst to get Ontario back on track for accessibility;

AND WHEREAS at least 2.9 million Ontarians currently live with a disability, representing at least 22% of the consumer base and the workforce, but due to barriers, Ontarians with disabilities are too often falling short of their full potential;

AND WHEREAS the AODA aims to develop, implement and enforce standards related to goods, services, accommodation, employment and buildings before Jan. 1, 2025, and municipalities, as the level of government closest to the people are at the front lines, developing, implementing and enforcing these standards without meaningful guidance on its implementation and/or enforcement by the Province;

AND WHEREAS people with disabilities and advocates note the slow pace of current and previous Ontario governments in implementing the AODA and there are growing concerns there will be no renewed push to keep accessibility issues at the forefront after 2025;

AND WHEREAS The Town of Mattawa is dedicated and committed to creating a welcoming environment so that all people may have equitable access to programs, goods, services and facilities, but making investments to achieve the AODA standards has been challenging given the lack of consistent and stable funding for municipalities to remove accessibility barriers.

BE IT RESOLVED THAT the Council of the Town of Mattawa strongly encourages action on the part of the Provincial Government to urgently:

- a) create a “Municipal Accessibility Fund” for municipalities to develop, implement and enforce AODA standards related to goods, services, accommodation, employment and buildings. Such a fund could be modeled after the Canada Community-Building Fund or the Ontario Cannabis Legalization Implementation Fund on a per household basis;
- b) to commit to working with municipalities to implement the Donovan Review immediate crisis recommendations;

AND FURTHER THAT the Mayor write a letter in support of this resolution to the Minister of Seniors and Accessibility, and that a copy of this resolution be sent to the Premier of

Ontario, the Minister of Seniors and Accessibility, the Minister of Children, Community and Social Services, the Minister of Health, the Minister of Municipal Affairs and Housing, the Federation of Canadian Municipalities, the Association of Municipalities of Ontario.

SECONDED BY COUNCILLOR _____

BE IT RESOLVED THAT Council adopt the minutes of the Regular meeting of Monday September 9, 2024 and the Committee of the Whole meeting of Monday September 16, 2024.

THE CORPORATION TOWN OF MATTAWA

MOVED BY COUNCILLOR _____

SECONDED BY COUNCILLOR _____

WHEREAS elections rules need to be clear, supporting candidates and voters in their electoral participation and election administrators in running elections;

AND WHEREAS legislation needs to strike the right balance between providing clear rules and frameworks to ensure the integrity of the electoral process;

AND WHEREAS the legislation must also reduce administrative and operational burden for municipal staff ensuring the local election administrators can run elections in a way that responds to the unique circumstances of their local communities;

AND WHEREAS the Municipal Elections Act, 1996 (MEA) will be 30 years old by the next municipal and school board elections in 2026;

AND WHEREAS the MEA sets out the rules for local elections, the Assessment Act, 1990 and the Education Act, 1990 also contain provisions impacting local elections adding more places for voters, candidates, and administrators to look for the rules that bind the local democratic process in Ontario;

AND WHEREAS with rules across three pieces of legislation, and the MEA containing a patchwork of clauses, there are interpretations challenges, inconsistencies, and gaps to fill;

AND WHEREAS the Act can pose difficulties for voters, candidates, contributors and third-party advertisers to read, to interpret, to comply with and for election administrators to enforce;

AND WHEREAS while local elections are run as efficiently as can be within the current legislative framework, modernization and continuous improvement is needed to ensure the Act is responsive to today's needs and tomorrow's challenges;

AND WHEREAS to keep public trust and improve safeguards the Act should be reviewed considering the ever-changing landscape which impacts elections administration including privacy, the threats of foreign interference, increased spread of mis/disinformation and the increased use of technologies like artificial intelligence and use of digital identities;

AND WHEREAS the Association of Municipal Managers, Clerks, and Treasurers of Ontario (AMCTO) reviewed the Act and has provided several recommendations including modernizing the legislation, harmonizing rules, and streamlining and simplifying administration;

AND WHEREAS AMCTO put forward recommendations for amendments ahead of the 2026 elections and longer-term recommendations for amendments ahead of the 2030 elections ;

THEREFORE BE IT RESOLVED THAT the Town of Mattawa calls for the Province to update the MEA with priority amendments as outlined by AMCTO before Summer 2025 and commence work to review and re-write the MEA with longer-term recommendations ahead of the 2030 elections

AND BE IT FURTHER RESOLVED THAT this resolution will be forwarded to all municipalities in Ontario for support and that each endorsement be then forwarded to the Minister of Municipal Affairs and Housing, the Minister of Education, the Minister of Public and Business Service Delivery, the Minister of Finance, the Premier of Ontario, MPP of Nipissing District and AMCTO.

THE CORPORATION TOWN OF MATTAWA

MOVED BY COUNCILLOR _____

SECONDED BY COUNCILLOR _____

WHEREAS paramedics, firefighters and police officers are our Frontline heroes, regularly putting their own health and safety at risk to help others in need;

AND WHEREAS the Ontario Fire Services Long Service Medal was created in 1971 to honour firefighters who have served the public for twenty-five years or more and the Governor General's Fire Services Exemplary Service Medal was created in 1985 and honours members of a recognized Canadian fire service who have completed twenty years of service, ten years of which have been served in the performance of duties involving potential risks;

AND WHEREAS the Ontario Provincial Police Long Service and Good Conduct Medal honours OPP officers who have served for twenty years or more and the Governor General's Police Exemplary Service Medal, created in 1983, recognizes police officers who have served in an exemplary manner having completed twenty years of full-time service with one or more recognized Canadian police forces;

AND WHEREAS many non-OPP police services have similar local long-service medals within their forces, but there is not a province-wide long-service medal for non-OPP police officers;

AND WHEREAS the Governor General's Emergency Medical Services Exemplary Service Medal, created in 1994, recognizes professionals in the provision of pre-hospital emergency medical services to the public who completed twenty years of exemplary service, including at least ten years in the performance of duties involving potential risk;

AND WHEREAS there is no province-wide long-service medal for paramedics in Ontario.

NOW THEREFORE BE IT RESOLVED THAT Council of the Town of Mattawa endorses the creation of a province-wide long-service medal for police and for paramedics, modelled after the existing such award for firefighters.

AND FURTHER THAT this resolution be sent to the Premier of Ontario, Minister of Health, Solicitor General, AMO and our local MPP urging them to work collaboratively to create such awards.

Dear: Honorable Paul Calandra

RE: Jurisdiction of Ontario's Ombudsman

The Council of the Corporation of Tay Valley Township at its meeting on August 13th, 2024 adopted the following resolution:

RESOLUTION #C-2024-08-29

MOVED BY: Wayne Baker
SECONDED BY: Angela Pierman

“WHEREAS, the Council of the Corporation of Tay Valley Township support the request from the City of Peterborough that a Bill be introduced to amend the Ombudsman Act;

THAT, the Honorable Paul Calandra, Minister of Municipal Affairs and Housing, be requested to introduce a Bill to amend the Ombudsman Act to require the Ontario Ombudsman to provide to each municipality, if requested by the municipality, sufficient particulars of each investigation, matter or case respecting the municipality that is referred to in each of the Ombudsman's Annual Reports to permit the municipality to fully understand and address the subject matter of each such investigation, matter or case including:

- i) a copy of each complaint, as applicable, redacted only to the extent of individuals' personal information contained therein;
- ii) the identities of the municipality's employees, officers and members of Council with whom the Ombudsman was consulting in respect of the investigation, matter or case; and
- iii) particulars of the outcome of the investigation, matter or case including the Ombudsman's findings, conclusions and recommendations, if any.

AND THAT, staff forward Council's resolutions resulting from Council's approval of these recommendations to Minister Calandra, MPP John Jordan, the Association of Municipalities of Ontario (AMO) and to all Ontario municipalities.”

ADOPTED

Good day

We have attached an application form for a Municipality of Municipalities to host the Annual FONOM Conference in 2026, 2027, or 2028. Please share this with your Council, Senior Staff, and, if applicable, your Municipal Association. The dates of the FONOM conference are below.

May 11, 12 & 13, 2026
May 10, 11 & 12, 2027
May 8, 9, & 10, 2028

If you want to host the FONOM Conference in one or more of the listed years, please review the attached Guidelines and complete the Application form. Please return the form to the FONOM Office by **November 15th, 2024**.

The FONOM Conference in 2025 is in North Bay. The conference dates are May 5th – May 7th, 2025.

We would be happy to answer any questions. We appreciate your interest.

Application to Host the Federation of Northern Ontario Municipalities (FONOM) Annual Conference

Background:

The FONOM conference has grown recently, attracting more than 300 delegates and exhibitors and bringing over \$200,000 of economic activity to the host municipality. The conference forms a significant portion of FONOM's annual operating revenue. Therefore, the host community must maximize revenue through transparent tendering, purchasing goods and services, and careful financial control and management. The successful host will sign a Memorandum of Understanding document, a sample of which is attached to the Application.

Section 1 - Timing

The conference will occur in May each year during the second week. It begins on Monday at 1:00 p.m. and lasts two and a half days.

Day 1 of the conference agenda is a day of pride and excitement. It features an official opening, a welcome from the Mayor of the host municipality, and a unique opportunity for the host municipality to showcase its achievements. The day also includes a Minister's Forum, an opening reception, and an evening for the delegates to visit local restaurants for their evening meal.

Day 2 starts with a full breakfast, followed by several plenary and possibly concurrent sessions, and ends with a banquet during which FONOM will present the Executive Award.

Day 3 of the conference is a day of involvement and commitment, featuring the FONOM Annual General Meeting, a number of updates from representatives of the three levels of government, and a Minister's Forum. The conference adjourns by 1:00 p.m., marking the end of a successful event.

During a provincial election year, the committee will try to secure and organize a Leader's Debate.

In what year does your community wish to host the FONOM Conference? (Check one.)

May 11, 12 & 13, 2026 _____

May 10, 11 & 12, 2027 _____

May 8, 9, & 10, 2028 _____

Is this a significant year/date for your community? _____

If yes, describe the significance of the year and other events that will be occurring in conjunction with this year (e.g. If this is the anniversary of incorporation, will your community be holding other events such as festivals, reunions, etc., during the same year?)

Section 2 – Conference Facilities

The following conference facility guidelines are the minimum required:

- • One large conference room able to seat 250 delegates for plenary sessions. Ideally, The room would be furnished with round tables and a suitable sound system for speakers at the podium and in the audience using several mobile microphones.
- One large banquet room to seat 300 guests with a head table (it may be the same room as the plenary session room above, provided capacity is available).
- Two adjacent rooms for break-out sessions that should seat 75 to 125 delegates (may be used for additional Exhibitors).
- MMAH may offer Ministerial Delegations during the Conference
- Four to five meeting rooms for Ministerial delegations that can accommodate up to 12 people seated boardroom style, in a venue close to the Conference venue.
- A large area for the trade show should be near the large conference room so that delegates can easily access the exhibits.
- Delegates must be offered high-speed free Internet access connection and good audio equipment available in all meeting rooms.
- Sufficient parking to accommodate delegates, sponsors and exhibitors.
- All facilities above should be accessible to persons with physical disabilities.

In what primary facility do you propose to host the majority of the conference?

Guideline for Conference Host Municipality(ies)

Overall the Host Municipality(ies) is responsible for organizing and managing all local conference logistics. The following sets these out.

Communication and Conference Coordination:

- Representatives from the Host Municipality (HM) participate in the Conference Coordinating Committee (CCC) along with conference partner FONOM. This Committee oversees the agenda development, financial terms, communication material and local logistics for each conference etc. This Committee usually meets at least monthly from December/January until the conference.
- Expenses for HM representatives on the CCC are the responsibility of the HM and are not part of the conference budget.

Venue:

- HM works directly with the management of the local venue to reserve appropriate space for all aspects of the conference, ensure access to all rooms, availability of required audio equipment in each conference room and any other equipment needed, and make any other arrangements necessary for full use of the facility by conference delegates.
- Enhanced audio visual services may be necessary in order to meet the ever-expanding technical needs of this conference. In this case, the HM will undertake a tender or call for proposals for these services.
- Municipally-owned facilities used for portions of the conference are provided by the HM rent free.

Meals:

- HM manages all meals and refreshment breaks including ordering all food from the food provider(s). They either work with the onsite caterer, or if there aren't any, hires local caterers or local volunteer organizations to prepare and serve the meals. All aspects of food service before and during the conference are the responsibility of the HM including selecting of menus within the budget allocated.
- HM will manage the entry to mealtime in some manner, for example, meal tickets with conference package or by just using conference name tags. If HM chooses to use conference name tags, they should use different coloured name tags for one, two day or full registration.

Conference Promotion:

- All communication on the conference needs to first be reviewed by the CCC. The early notice and pre-registration packages are normally sent out to municipalities by FONOM.
- In consultation with the CCC, the HM will set up a web site with the conference information. This website will be linked to FONOM.

Conference Budget and Finances:

- The HM will be provided a working budget by FONOM. The HM will tender for provision of all conference services using their own municipal tendering procedures. The HM must have a finance department member at the first CCC meeting so that payment, liabilities, budget and timelines are understood. The HM has discretionary spending abilities within this budget however; the conference partner FONOM should be apprised about the status of the budget at least once a month between January and April.
- The HM will pay to FONOM the total net profit of the conference by July 15 in the year of the conference.

Registration:

- Registration fees are set by the CCC. Normally all delegates are charged registration and speakers are not. This is sometimes a judgment call if speakers decide to come back another day. It can be discussed with the CCC.
- The Conference registration form is fairly standard from year to year. The HM may tailor it each year to indicate the HM, location, local contact names etc. This is then provided to the CCC for their review.
- The early conference notices and registration forms are normally sent to municipalities by FONOM. The HM shall prepare an accommodation lists and

electronic map of area showing conference site and location of accommodation (and anything else the HM might like to include). Timing of the notices is worked out by the CCC.

- The HM is responsible for receiving all the registrations, recording the registrants and collecting and managing all registration fees. All conference funds should be kept in a separate account with inputs and outputs recorded.
- The HM will order and prepare conference name tags for all pre-registered delegates, speakers (usually distinctive from the delegates and exhibitors) and guests.
- In addition to the pre-conference registration work, the HM will set up a registration desk at the conference, to allow pre-registrants delegates, speakers and guests to collect their conference packages and name tags but also to allow for last minute registrations. At this desk, there should be additional name tags. This desk will serve as a “conference central desk” - where any conference or facility related information is available to delegates, messages are given, evaluation forms are deposited etc. It should be visible and easily accessible and staffed throughout all hours that the conference and/or trade show is open to delegates.
- The cancellation policy is that registration fees, less a \$50 administration charge, are refundable only if written notification is received by 7 days before the conference. No refunds will be made after that date however substitutions may be made without financial penalty.

Conference Agenda:

- While the agenda is worked out and finalized by the CCC, the printing of the final agenda is arranged by either FONOM or the HM. The final agenda must be printed in both French and English. Translation is also done by either the HM or FONOM.
- The final agenda includes a letter from each of the FONOM President (with a list of the FONOM Directors) and the Head of Council for the HM.
- The HM, in consultation with FONOM, will recommend two charities for a donation in lieu of speaker gifts.

Conference Packages:

- The HM, in consultation with the CCC, will order the appropriate conference packages (e.g. bags, portfolios etc) and arrange for appropriate logos indicating the name of the conference, the HM and FONOM.
- The HM will acquire the necessary contents of the packages and also fill them prior to the conference. The following should be in the packages:
 - any local promotional material that the HM can acquire
 - a list of final conference pre-registrants
 - FONOM's resolution package and annual report
 - floor plan of the conference facility and, if desired, a map showing local attractions
 - trade show program and map of booth locations
 - any other notices that sponsors may wish to include

Sponsorships:

- The HM, in conjunction with FONOM, is responsible for obtaining all conference sponsorships. Sponsorships can be obtained for meals, refreshment breaks or just for promotion. Due to the long relationship the conference has had with many of its sponsors, there is a "right of refusal" for sponsors from the previous year to sponsor the same event/item.
- The HM will sponsor the Pre-banquet reception, the year prior to hosting the conference, value of \$3,500.00.
- There is a standard conference sponsorship package for potential sponsors to choose from. These fees will be established by the CCC.

Exhibits:

- The HM is responsible for the pre-registration of all exhibit booths. There are standard fees as well for these which are also reviewed annually by the CCC. While many companies, government agencies will contact the HM directly to acquire a booth, the HM may need to also solicit to totally fill the booth spaces. The HM can use the list from the prior year's HM for this purpose using the list that will be provided by FONOM.
- The HM manages this space by allotting the necessary space, assigning the space and communicating with the exhibitors regarding the requirements etc.

Signage:

- Two banners need to be displayed prominently at the entrance to the conference site or on the conference building. The HM is responsible for putting these up and taking them down.
- The HM should also put up any directional signs that may be necessary for the delegates to find the conference facilities including parking, conference rooms, reception areas, booth areas etc. These should be in a bilingual format. The objective is to make it as easy as possible for the delegates to find their way around.
- The HM will also put up signs indicating the various sponsors of the conference.

Post Conference Wrap Up:

- The CCC may meet following the conference to review the lessons learned from that year's conference, review the results of the evaluation forms and make recommendations on how to improve subsequent conferences.
- The HM prepares a Final Report following the conference which outlines such items as:
 - total attendance and profile of delegates (e.g. breakdown by municipality, other etc)
 - final financial statement with revenues and expenditures broken down
 - any suggestions for next year's conference etc.

SAMPLE ONLY – DO NOT SIGN AT THIS TIME

By signing this document, the Host Community agrees to abide by the terms and conditions as well as timelines outlined in this Memorandum of Understanding.

Good morning,

I'm pleased to inform you that, in partnership with Natural Resources Canada (NRCan), the Ministry of Natural Resources (MNR) is now accepting applications from municipalities, Indigenous communities, planning authorities and conservation authorities to participate in the extension of the [Flood Hazard Identification and Mapping Program](#) (FHIMP), where up to 50% matched federal funding can be received for eligible flood mapping projects. The extension of the FHIMP through 2028 builds on the success of the program in Ontario to date, whereby 56 projects across 36 organizations were funded.

Project proposals can now be made under two funding streams:

1. For proposals where any funds are requested prior to February 2025, applications will be accepted until 4:30 pm EST on October 9, 2024. This may include multi-year projects.
2. Where funds are not requested until or after February 2025, applications may be submitted through April 2027. This funding stream will remain open until that time, or until all funding has been allocated. Both single year and multi-year project proposals are eligible.

All funding is available on a first come, first serve basis, with applications being assessed against eligibility criteria.

Increasing the accuracy of publicly accessible flood maps in the province will inform land use planning decisions by helping reduce risks to people and property, directing development away from flood-prone areas, and providing certainty for developers and property owners. Eligible projects include those that support:

- flood hazard assessment, priority setting and scoping;
- the acquisition of data used in hydrological and hydraulic modeling;
- the development of flood hazard modelling and mapping;
- the dissemination of flood hazard information;
- NEW! erosion hazard studies, if they are included as part of a flood study;
- and

- NEW! regional modelling and mapping (completed at coarse level resolution).

I am also pleased to inform you that MNR continues to acquire lidar data under the [Ontario Elevation Mapping Program](#). If you are planning to include lidar as part of your FHIMP proposal, please contact MNR's Geospatial Ontario section at pmu@ontario.ca.

To support the application process, we will be hosting two identical information webinars, which will cover information such as the application process, technical requirements, and program changes. Dates for these webinars are:

- Tuesday September 17, 2024, 2:00 pm – 3:30 pm EST
- Tuesday September 24, 2024, 2:30 pm – 4:00 pm EST.

To register for a webinar, please complete this form: [Webinar Registration](#)

I encourage you to visit www.ontario.ca/page/flood-hazard-identification-and-mapping-program for additional program information or contact FHIMPapplications@ontario.ca.

Good morning Paul,

I appreciated your email & was happy to hear that you have now updated the Landfill User Fee schedule.

It wasn't there when I looked in July.

I will take you up on your offer to have my email conversations reviewed by the Town Councillors. At this time, I have/see no need to address the Council in person. I believe my 1st email some 35+ days ago is a good start.

However, the other two concerns were not addressed. 1 – Make/establish a standard fee that represents the community and everyone pays.

All fees, in general, to be standardized at the landfill site.

2- Illegal dumping.

When Landfill fee structure of certain items are found to be too high, these items do not end up at the Mattawa Landfill site.

This is what I would like to see.

1. I am still hearing that there are irregularities of the fee structure at the landfill site. Everyone to be treated equally.
2. Update and post all disposal fees for the Mattawa Landfill at the site, online and send a flyer to all residents.
3. Contain/Stop illegal dumping. Adjust the present fee structures that will limit illegal dumping in the surrounding townships. At least have the conversation.

The town of Mattawa & surrounding Townships are a great place to live.
We are all required to be responsible residents, taking care of our Communities is a must.

Your time is appreciated.
Regards & Thank You.
Mark.

Good afternoon Mark,

Thanks for taking the time to meet with me and for the follow-up email.

It's unfortunate that you landed on an old and outdated by-law. Our current consolidated user fees are posted on our website and can be found at:

YOUR GOVERNMENT/FINANCIAL SERVICES/USERS FEES AND
CHARGES/LANDFILL SITE SERVICES

Mattresses are listed therein at \$25/mattress. This is the rate charged by other municipalities in and around Nipissing District.

We are hoping to secure an arrangement with a company that will take used mattresses from our landfill with the hopes of reducing the fees in the future. In the meantime, the Council approved fees for 2024 is what is to be charged.

If you wish to address Council and express your concerns about our user fees, you can contact the Town Clerk and make a delegation request.

Respectfully,

Paul.

Hi Paul,

On Saturday July 27/24 I brought a mattress & box spring to the Mattawa dump for disposal.

I knew I was going pay something so I had \$20.00 with me, I did not expect to pay \$25/items, totaling \$50.00.

Note: This mattress disposal service is free pickup at your home or \$3.50 at the transfer station in Sudbury.

Paul, I thank you for allowing me to bring thoughts forward to you on Monday July 29/24.

As mentioned; I have been a part of the City of Greater Sudbury Solid Waste Advisory Panel for 15 of the last 20 years and know/understand the Solid Waste Disposal Program very well in Ontario.

I have 3 items to share with you and Mattawa Town Council.

1- Schedule "J" to By-law 17-06 Landfill Department, Landfill Department Services –Fees found on your website. Nowhere in this document is a disposal fee for Mattress/box spring disposal.

All Landfill disposal fees should be posted on line or at the Landfill site.

2 – Make/establish a standard fee that represents the community and everyone pays. After talking to many residents, the tipping fees are not standard. I am told for mattress/box spring disposal fees at the Mattawa Dump, some residents have paid \$0.00, \$25.00 and \$50.00. Have standard consistent fee structure that works for all.

3- When Landfill fee structure of certain items that are found to be too high, these items do not end up at the Mattawa Landfill site. Good example of this is on the Klocks road at mileage 3 on the west side. There are many other illegal dumping areas in the surrounding townships.

This is what I would like to see.

1. I would like my money back, if your investigation shows irregularities in fee payments at the landfill site in the last few months. Invoice #011046.
2. Update and post all disposal fees for the Mattawa Landfill site online or send a flyer to all residents.
3. Adjust the present fee structures that will limit illegal dumping in the surrounding townships. Be Responsible for all our Communities.

Looking forward to hearing from you.

All the best.

CANADA'S POPULATION FORECAST

The country's population could reach a medium-growth forecast of **63 million by 2073**.

The **AGING POPULATION** and **LOW BIRTHRATES** mean that **migration will be the key driver** of Canada's growth for the foreseeable future.

Canada's population has been on an aging trend for many years as the **baby boomer** demographic gets older.

THE SENIOR POPULATION WILL PUT DOUBLE THE PRESSURE ON THE LABOUR MARKET

People are not only **aging out of work** but also **aging into** needing services.

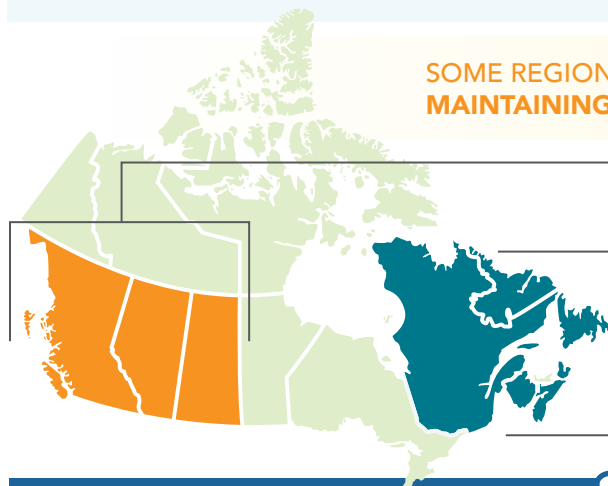

The labour demand in seniors care also means that Canada must plan its population growth, driven by in-migration, to directly address the areas where workers are needed.

"Related to all of that is our need for workers to work in long-term care facilities, to work more generally in the health area, simply because the demands for those kinds of services are going to increase tremendously."

SOME REGIONS WILL FARE BETTER THAN OTHERS IN MAINTAINING POPULATION GROWTH

● **British Columbia, Alberta and Saskatchewan** all expected to take up more of Canada's overall population in the next 50 years.

● **Newfoundland and Labrador, Nova Scotia, New Brunswick and Quebec** are expected to see a population decrease.

Decision-makers also need to look at projections for **INDIVIDUAL COMMUNITIES** because if migration drives increases, that growth would **congregate in major cities**, increasing the burden for housing and other services, while it does little to address the decline in rural areas.

INFORMATION REPORT

PREPARED FOR: MAYOR BÉLANGER AND MEMBERS OF COUNCIL

PREPARED BY: COUNCILLOR LAURA ROSS

TITLE: UPDATE FROM BEAUTIFICATION COMMITTEE

DATE: MONDAY SEPTEMBER 23, 2024

REPORT NO: 24-53R

BACKGROUND

The Beautification Committee met several times this spring to discuss things we would like to have done for 2024.

ANALYSIS & DISCUSSION

Listed below are a few of the things that were completed:

- A new gazebo was installed at Dufoe Park.
- New planters were built and placed along Main Street and filled with flowers.
- Lamp posts and benches were painted to freshen them up.
- New flags were put up on Main Street.
- Trimming was done all the way to Sid Turcotte's Park.
- Preparing the island in front of Tai Pan to be cemented. Hopefully this should take care of the weed problem.

These are some projects that we would like to see happen if we were to have a budget that we could work with:

- Lights at Annie's Park.
- Picnic tables with shade roof along Mattawan Street.
- Trimming on the other side of the bridge and at Dufoe Park.
- Paint the black fencing around the flag pole and seating area on the bridge.
- Stain the outside of Town Hall. This building should look well maintained as it is our main office. Also the steps and side retaining wall needs repair.
- Patio stones installed at the accessible gazebo near Town Hall so those in a wheelchair can access it.
- Coloured Muskoka chairs on Main Street which would add a splash of colour.
- We would really like to work on a walkway along the water.
- A few more dog poop cans and signage and another garbage can by the gazebo with some smaller garbage cans at the theatre and place the large ones along Mattawan Street.
- Have the statues repaired or replaced and returned to Main Street.

FINANCIAL IMPLICATIONS

No costs at this time.

RELEVANT POLICY/LEGISLATION

RECOMMENDATIONS/RESOLUTION

It is recommended that Council for the Town of Mattawa receives this report.

BE IT RESOLVED THAT the Council of the Town of Mattawa receives Report # 24-53R titled Update from Beautification Committee.

INFORMATION REPORT

PREPARED FOR: MAYOR BÉLANGER AND MEMBERS OF COUNCIL

PREPARED BY: SHAWN HONGELL, FIRE CHIEF

TITLE: UPDATE FROM FIRE DEPARTMENT

DATE: MONDAY SEPTEMBER 23, 2024

REPORT NO: 24-54R

BACKGROUND

Since August a full review of the Fire Department has been done and continues to be ongoing with what is required to have full equipment and staffing.

ANALYSIS & DISCUSSION

Uniforms

The Mattawa Fire Department has never had proper uniforms when conducting themselves as municipal employees. When out in public they use street clothes and showcase what the department had to offer, which is not ideal. The purchase of a proper uniform for each member to wear when conducting inspections, recruiting and public relations would look more professional to our department.

A meeting was conducted with the Interim CAO/Treasurer concerning the purchase of uniforms and it was agreed that the Firefighters Association would contribute towards the purchase and the Town would match the purchase to an upset limit of \$5000.00.

We are seeking approval for the purchase of the uniforms at an upset limit of \$5000.00

Mattawa Firefighters Association Hockey Tournament

The annual Firefighters Association Hockey Tournament is happening in November this year which is a great turnout. The association puts on this tournament to make money which in turn gives back to the community and the department itself.

In past years the association was invoiced in full for the rental of the hall and bar and was provided ice time at the cost that was given to the Mattawa Minor Hockey Association. The invoice was approximately \$2900 in past years.

The cost has taken away from the profits that are used elsewhere in town and the association has requested that the facility be provided at half price. A meeting was conducted with the Interim CAO/Treasurer for this request and was approved.

Training Grounds

The Mattawa Fire Department has utilized the entire town for weekly training and does not have an area/facility dedicated to this vital service.

The Fire Chief along with staff of the department spoke to a facility and area that would be beneficial. Several meetings were held with various partners in the municipality and the Chief to create a solution and a suitable area that would house a burn can (40 ft c-can that was converted to a situation room) and leave at the site permanently.

After research and meetings the Chief then meet with the Interim CAO/Treasurer and a location at the lagoons was decided upon, which would be enough area to house this facility.

The Firefighters Association is purchasing the burn can at an approximate cost of \$12,000.00 so there is no cost to the town. This will be implemented in the near future once the lagoon area is cleared for facility.

Once in place the fire department's main training of fire activities will be conducted at this site.

FINANCIAL IMPLICATIONS

A cost to the town to an upset limit of \$5000.00 which is not in the 2024 budget.

RELEVANT POLICY/LEGISLATION
