

# Summer Student EMPLOYMENT OPPORTUNITIES

## Positions:

### Youth Program:

The Youth Program is an 8-week summer program focused on providing fun, community-based experiences for local children. Students will help create a positive and engaging environment where participants can learn new skills, make friends, and enjoy a variety of recreational activities.

### Green Team:

Green Team students work alongside Recreation Staff within the Community Services Department to help keep Mattawa clean, maintained, and welcoming. Duties may include sweeping, raking, garbage collection, landscaping support, and other maintenance-related tasks.

### Info Centre:

Information Centre students assist residents and visitors throughout the summer tourism season. Responsibilities include creating promotional materials using Canva, providing information on local attractions and activities, and supporting the community's FedEx and UPS depot operations.

### Waterfront:

Waterfront students help maintain Mattawa's waterfront facilities and assist boaters and water enthusiasts. Duties include helping with boat launches and trailer retrievals, maintaining green spaces, and ensuring facilities remain clean, safe, and welcoming.

### Public Works:

Public Works students work alongside staff in the Community Services Department to help maintain municipal properties and infrastructure. Duties may include lawn mowing, weed removal, sweeping, raking, general grounds maintenance, and other public works-related tasks.

## How to Apply?

- Submit your cover letter and resume in 1 pdf file by email to [director@mattawa.ca](mailto:director@mattawa.ca)
- Complete and submit the online Application form
